

GPA Changes for Spring 2020

Seniors 2020

Due to the current pandemic situation, Clyde CISD resolved to suspend a portion of the EIC (Local) policy concerning local graduation honors. For the graduating class of 2020, the final grades used to calculate a class rank for purposes of graduation honors will be the fall semester grades.

Classes of 2021, 2022, 2023 & 2024 (grades 8-11)

Due to the current pandemic situation, Clyde CISD will exclude the spring 2020 semester grades from all class rank calculations for the graduating classes of 2021, 2022, 2023, and 2024.
