CAMPUS IMPROVEMENT PLAN

Clyde Junior High School Campus Improvement Plan

2023-2024 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Clyde Junior High School conducted a comprehensive needs assessment for the 2022-2023 school year. The needs assessment was conducted to identify gaps in the areas listed below. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Campus Demographics

The staff at Clyde Junior High School include 24 teachers, 4 split-campus teachers, 6 paraprofessionals, and 2 administrators. The student population is 80.3% White, 0.9% African American, 15.9% Hispanic, 0.0% Asian, 0.0% American Indian, and 2.6% Two or More Races. Additionally, the campus serves 44.1% economically disadvantaged students, 14.1% special education students (SPED), and 0.3% English Language Learners. Attendance rates include: 95.9% Hispanic, 96.5% White, 95.9% economically disadvantaged and 95.9% SPED. The most current data indicate the campus has a 15.0% mobility rate.

The following data was reviewed in relation to campus demographics: TAPR (2022-23), STAAR Accountability Ratings, Information from Campus Site based team from the Spring 2023 meeting.

Upon review of this data, several findings were noted. These findings include:

The largest special population group is Economically Disadvantaged (EcoDis). Populations of African American, Hispanic and Two-or-more races all remained level. The attendance rates were stable across all populations with only exhibiting minor variations in regards to percentages.

Areas of need include:

Continued improvement in attendance to reach Campus Distinctions with special attention for our economically disadvantaged, Special Education students, and Hispanic students, who have the lowest attendance..

Student Achievement

The following data was reviewed in relation to Student achievement: partly from STAAR, mostly from MAPS, IXL, Mind Play and Unit Assessment data.

Upon review of this data, several findings were noted. It appears that our students are pulling out of the Covid slide. Achievement gaps are slowly closing, and our MAPS data indicates that our reading and ELA scores could be on the up-trend. Adjustments are being made and academic support plans are being utilized to meet the needs of our students.

Smart Goals for the 2023-2024 School Year:

Mathematics

- Students will be at 4% average above the state for meets level performance on 2022-2023 STAAR.
- All readiness TEKS will be at 50% or higher on 2023-2024 STAAR.
- Students will have a combined average of at least 80% approaches (for 6th, 7th, and 8th Grade).

English Language Arts Reading

Show 5% growth on domain 1 of the STAAR test in all of our ELA classes (6th grade-9th grade)

Science

- Raise the percentage of students meeting Masters level criteria in 8th grade Science to at least 18% by May 2024.
- Raise the percentage of students at Approaches level in 8th grade Science to at least 88% by May 2024.
- Raise our economically disadvantaged and SPED subgroups percentage, meeting standard by 3% (system safeguards) by May 2024.

Social Studies

- Raise the Approaches Level percent for all students to 80% by May 2024
- Raise our economically disadvantaged and Special Education subgroup pass rate by 5% (from previous years results) for approaches level by May 2024.
- Raise the Masters level in 8th grade History to at least 9% by May 2024.

School Culture, Climate, and Organization

The following data was reviewed in relation to School Culture, Climate, and Organization: Title I parent meetings, Staff Survey, Site Based Decision Making Committee and Lighthouse Committee Meetings

Upon review of this data, several findings were noted. These findings include:

Student discipline referrals stayed steady relative to the 2022-2023 school year. Analysis indicated the majority of the placements were from students who had high mobility rates and were not in a stable home environment. While we have more students coming to school with greater needs, our staff continue to apply effective strategies when dealing with these students. We should continue to focus on training that helps us to improve at the classroom level of student behavioral needs to this effect,

Areas of need include:

An increased focus on our attendance rates.

Continue to develop interest for a Parent/Teacher Organization to help increase parental involvement.

Focus on positive relationship building to improve overall student behavior and academic performance.

Utilize our counselor to address the increase in emotional and behavioral issues through a proactive approach to counseling programs delivered to students.

Teachers and administrators continue to take a more proactive approach to student behavior management with parental contacts occurring frequently. This should include ongoing training that addresses student emotional and behavior support.

Campus Improvement Plan

Staff Quality, Recruitment, and Retention

The following data was reviewed in relation to Staff Quality, Recruitment, and Retention:

Title I Highly Qualified Report, Campus Employment Rosters, T-TESS Evaluations

Upon review of this data, several findings were noted. These findings include:

CJH saw 1 employee (1 teacher/coach) leave at the end of the 2022-2023 school year. All teachers were highly qualified for the 2023-2024 school year.

Areas of need include:

Continue to support staff through support and training when dealing with student behavior issues.

Continue to build our climate rewards and recognition programs that we started in 2018-2019 in an effort to increase staff morale.

Continue to work on increasing salaries or giving back days through calendar adjustment (DOI) at the district level.

Explore ideas to market and attract highly qualified teachers to the district.

Clyde Junior High School Campus Improvement Plan

District Priority:	Clyde CISD will empower successful leaders for the challenges of the future, through promoting the leadership capabilities for all.

[X] 1) STAAR Masters	For 2018-2019, the percent of students reaching STAAR Masters Performance levels will increase by the percent shown in CIP Part I. (This objective is for all student groups not specifically identified in Part II.)	After each common assessment/screener, the staff will review the results to determine progress in meeting established performance levels.	STAAR results will be reviewed to determine if targets were met.	Teachers will use strategies that challenge and engage students in their learning, and they will build in periodic review of the content and concepts.
[X] 2) STAAR Meets Performance Level	For 2018-2019, the percent of students reaching STAAR Meets Performance levels will increase by the percent shown in CIP Part I.	After each common assessment/screener, the staff will review the results to determine progress in meeting established performance levels.	STAAR results will be reviewed to determine if targets were met.	Teachers will use research-proven strategies to promote students' deep understanding of content and concepts.

[X] 7) Highly Qualified Teacher	For 2018-2019, the percent of highly qualified teachers in the core academic areas will be at 100%.	At the end of the first semester, the percent of teachers in the core academic areas who are highly qualified will be reviewed to determine progress.	At the end of the school year, the percent of teachers in the core academic areas who are highly qualified will be reviewed to see if the objective was met.	Confer with teachers to implement a plan to ensure that they meet highly qualified standards.

[X]	8) Secondary Dropout Prevention	For 2018-2019, the dropout rate will be 0.1% or less with no student group exceeding 0.1 %.	Each grading period, the documentation will be reviewed for students who have checked out of school.	The 2017-2018 drop-out data will be reviewed as information becomes available.	Monitor school leavers bi-weekly, contact parents, and implement intervention plans, including credit-recovery opportunities.
[]	9) High School AEIS – Ninth Graders	The percent of 2018-2019 first-time ninth-grade students who advance to the tenth grade (fall to fall) will be at least %.	After each grading period, the number of ninth-grade students who are at-risk for failing one or more classes will be reviewed.	At the end of the school year (August), the percent of ninth graders who advanced to the tenth grade will be reviewed to see if the objective was met.	Provide students with models of completed assignments so that they understand academic expectations. Guide students to appropriate testing, classes, and programs.
[]	10) Recommended High School Program	For 2018-2019, the percent of students who graduate with RHSP will be at or above %.	Each semester, prepare a list of students who have opted out of the RHSP program by grade level.	At the end of the school year, calculate the percent of students who graduated with the RHSP.	Inform parents and students about graduation requirements and college/career readiness skills and programs. Guide students to appropriate testing, classes, and programs.
[]	11) High School AEIS – Advanced Courses and Dual Credit	For 2018-2019, the percent of students who have completed at least one advanced course will be at or above %.	Each semester, the number and percent of students enrolled in at least one advanced course will be reviewed.	At the end of the school year, the percent of students completing at least one advanced course in high school will be reviewed to see if the objective was met.	Inform parents and students about graduation requirements and college/career readiness skills and programs. Guide students to appropriate testing, classes, and programs.
[]	12) High School AEIS – Advanced Placement Exams	For 2018-2019, the percent of students who take an AP exam will be at or above %.	At the beginning of the spring semester, review a list of students in AP classes who have not indicated their intention to take an AP exam.	At the end of the school year, the number and percent of students who took at least one Advanced Placement exam will be reviewed to see if the objective was met.	Inform parents and students about graduation requirements and college/career readiness skills and programs. Guide students to appropriate testing, classes, and programs.
[]	13) High School AEIS – SAT/ACT Exams	For 2018-2019, the percent of graduates who take SAT/ACT exams will be at or above %.	After the first semester, the number of students taking the SAT-1 at least once will be reviewed.	At the end of the school year, review the number of students taking the SAT-1 at least once to determine if the objective was met.	Inform parents and students about graduation requirements and college/career readiness skills and programs. Guide students to appropriate testing, classes, and programs.

After each common assessment/screener, the staff will review the results to determine progress in meeting established performance level.	STAAR results will be reviewed to determine if targets were met.	Core content – area and CTE teachers will coordinate the courses/programs to ensure that these students have extended learning time in STAAR-tested areas.

CIP PART II: ASSURANCE ADDENDUM Section D

[X]	1. Comprehensive needs assessment – All data were reviewed for all students and student groups. The results and conclusions of this review are reflected in the SMART goals for the next school year.
[X]	2. School-wide reform strategies – These strategies include ones that strengthen the core academic program; meet the educational needs of historically underserved populations; increase the amount and quality of learning time; and address needs of all, but particularly low-achieving students. Examples of school-wide strategies follow: teach content-focused vocabulary terms/phrases – 20 per year, per core subject from the district’s list – for all students to learn (in addition to the usual teacher-selected vocabulary words); expand effective instructional strategies, including use of technology in ways proven to increase students’ engagement in learning and level of thinking about content and concepts.
[X]	3. Instruction by highly qualified teachers – 100% of our core content teachers are certified for the position they hold even though they have varying levels of experience. Experienced teachers give support to less experienced teachers. Parents are notified if a teacher is not certified, and the teacher must either be working toward certification or efforts continue to hire someone who is certified.
[X]	4. High-quality and ongoing professional development – Helping teachers provide on-the-job training and monitoring to promote teachers’ professional development. Staff members participate in professional development offered throughout the year. Professional development may also be conducted on site by in-house instructional leaders and also by district instructional support staff.
[X]	5. Strategies to attract high-quality, highly-qualified teachers – Recruiting and retaining highly-qualified teachers is a continuous process. We closely work with our district’s Human Resources administrators and network with other principals to help in this effort. Our own teachers also serve as recruiters. The result has been that 100% of our core content classroom teachers are appropriately certified for the position they hold.
[X]	6. Strategies to increase parental involvement – Schools engage in numerous activities to increase parent involvement in the campus’s programs. Open Houses, telephone calls, and newsletters are just a few methods of recognizing parents as partners. In addition, parents are offered classes to meet their needs, for example, ESL classes or STAAR information programs.
[]	7. Transition from early childhood programs – Elementary schools collaborate with early childhood centers to coordinate parent and student visits to kindergarten programs. Elementary schools conduct community awareness campaigns and registration days. (Not applicable to secondary schools)
[X]	8. Measures to include teachers in the decisions regarding the uses of academic assessments – Numerous teacher reports are available for the teachers to access throughout the year. These reports are based on locally-developed and summative assessments. Ongoing staff development is available on site to analyze assessment data. Grade-level, content-area, team, or departmental meetings and the SBDM provide forums to discuss assessment issues.
[X]	9. Effective, timely additional assistance – Formative and summative assessments provide the data for teachers and administrators to monitor individual student progress so that interventions and assistance will be timely. Various live reports are available via Eduphoria and are accessible to teachers and administrators.
[X]	10. Coordination and integration of federal, state, and local services and programs – At the building level, federal, state and local services and programs are coordinated to address student needs best; this coordination of services and programs is reflected in the activities listed in the campus goals and strategies.
