

Clyde CISD Athletic Code of Conduct (“ACC”)

POLICY STATEMENT

Participation in Clyde Athletics is a privilege and not a right. Therefore, the behavior expectations set forth in the Clyde CISD **Athletic Code of Conduct (“ACC”)** exceed the behavior expectations set in the Clyde CISD **Student Code of Conduct (“SCC”)**.

Clyde student-athletes must act with PRIDE and DIGNITY at all times. The purpose of this ACC is to establish regulations and procedures to address violations that occur **ON OR OFF SCHOOL GROUNDS THROUGHOUT THE ENTIRE CALENDAR YEAR** in a fair and timely manner. The ACC is designed to discourage inappropriate behaviors, encourage extracurricular students to make choices that ensure their health and safety, and provide appropriate consequences for students who violate the ACC.

GUIDELINES

The Coach/Athletic Director has the right to set high standards for and to impose consequences on those students who choose to participate in athletics at Clyde ISD.

Each program/team may have specific conduct expectations in addition to the expectations outlines in the ACC. The expectations in each program will be developed and approved by the Coach/Athletic Director.

Students who choose to participate in extracurricular activities are role models, and exemplary behavior is expected of them **at all times**.

The ACC will be enforced with all students grades 7th – 12th participating in extracurricular activities:

- Regardless of whether school is in session;
- Regardless of whether the student is directly involved with the extracurricular activity at the time the prohibited conduct occurs;
- Regardless of whether the extracurricular activity is in session; and
- Regardless of when/ where the conduct occurs.

The ACC does not limit or restrict the authority of the Coach, Athletic Director, or school administrator from imposing other consequences in addition to the penalties set forth below (e.g., extra practice and/or conditioning can be added to any consequence imposed). In addition, if the SCC, Constitution, or some other document governing a particular extracurricular activity contains stricter rules, sanctions, or consequences for misbehavior, the document governing the particular extracurricular activity will be followed.

Discipline imposed under the SCC, Constitution, or some other document governing a particular extracurricular activity will not limit or prevent the imposition of additional consequences under the ACC. Moreover, the modification of discipline imposed under the SCC, Constitution,

or some other document governing a particular extracurricular activity or a decision to overturn the discipline imposed under the SCC, Constitution, or some other document governing a particular extracurricular activity shall not affect any consequences imposed under the ACC.

Unless specified otherwise in the ACC, Consequences imposed under the ACC may be appealed to the ACC Appeals Committee whose decision shall be final.

ANY EVENT MAY BE SERIOUS ENOUGH TO RESULT IN REMOVAL FROM THE ATHLETIC PROGRAM WITHIN THE DISCRETION OF THE COACH/ATHLETIC DIRECTOR.

PARTICIPANT RESPONSIBILITIES

Extracurricular participants have the responsibilities to:

- Always remember they are representatives of their school, family and community – they must make a constant effort to project a positive, respectful image.
- Always be considerate of those around them and actively avoid situations that may reflect poorly on themselves and / or the Clyde CISD.
- Exhibit proper behavior. Failure to do so will result in discipline in accordance with the SCC and ACC.
- Adhere to the specified guidelines and rules of their chosen activities.
- Adhere to the specified guidelines and rules of the SCC.

INVESTIGATION PROCESS

The appropriate Director, Sponsor, Coach and/or Administrator will investigate all reported violations of the ACC. A verified violation will result in the appropriate consequence if there is a preponderance of evidence that the violation occurred. The process of investigation will follow the procedures listed below:

- Report of Violation: The alleged violation is reported to the appropriate director, sponsor, coach, or administrator.
- Notice: The appropriate director, sponsor, coach or administrator will inform the student and the student's parent of the allegation.

These stricter policies may include varsity athletes.

SOCIAL MEDIA:

Playing and competing for Clyde athletics is a privilege. Student-athletes are held in the highest regard and are seen as role models in the community. As leaders you have the responsibility to portray your team, your school and yourselves in a positive manner at all times. Sometimes this means doing things that are an inconvenience to you, but benefit the whole team. Facebook, Twitter and other social media sites have increased in popularity globally, and are used by the majority of student-athletes here in Clyde in one form or another. Student-athletes should be aware that third parties - - including the media, faculty, future employers and NCAA institutions - - could easily access your profiles and view all personal information. This includes all pictures, videos, comments and posters. Inappropriate material found by third parties affects the perception of the student-athlete, the athletic department and CISD. This can also be detrimental to a student-athlete's future employment options, athletic scholarships or in other industries. Examples of inappropriate and offensive behaviors concerning participation in online communities may include depictions or presentations of the following:

- Photos, videos, comments or posters showing the personal use of alcohol, drugs and tobacco, vaping e.g., no holding alcohol cans, shot glasses etc.
- Pictures, videos, comments or posters that condone drug-related activity. This includes but is not limited to images that portray the personal use of illegal substances and drug paraphernalia.
- Content online that is unsportsmanlike, derogatory, demeaning or threatening toward any other individual or entity (examples: derogatory comments regarding another school; taunting comments aimed at a student-athlete, coach or team at another school and derogatory comments against race and/or gender). No posts should depict or encourage unacceptable, violent or illegal activities (examples: hazing, sexual harassment/assault, gambling, discrimination, fighting, vandalism, academic dishonesty, underage drinking, illegal drug use).
- Content online that would constitute a violation of UIL rules (examples: commenting publicly about a student-athlete, providing information related to sports wagering activities; soliciting impermissible extra benefits).
