Please indicate whether your campus has met each of the below legal requirements for your campus improvement plan by placing an "X" in the box next to the corresponding requirement.

		Goal	Description	Formative	Summative	Strategy
[X]	1)	STAAR Recognized or Exemplary	For 2024-2025, the percent of students reaching STAAR Recognized or Exemplary Performance levels will increase by the percent shown in CIP Part I. (This objective is for all student groups not specifically identified in Part II.)	After each common assessment/screener, the staff will review the results to determine progress in meeting established performance levels.	STAAR results will be reviewed to determine if targets were met.	Teachers will use strategies that challenge and engage students in their learning, and they will build in periodic review of the content and concepts.
[X]	2)	STAAR Advanced Academic Achievement Performance	For 2024-2025, the percent of students reaching STAAR Advanced Performance levels will increase by the percent shown in CIP Part I.	After each common assessment/screener, the staff will review the results to determine progress in meeting established performance levels.	STAAR results will be reviewed to determine if targets were met.	Teachers will use research- proven strategies to promote students' deep understanding of content and concepts.
[X]	3)	Parent and Community Involvement	For 2024-2025, the percent of parents and community members attending parent involvement meetings will increase by 20%.	At the end of the first semester, the percent of parents and community members attending parent involvement meetings will be reviewed to determine progress.	At the end of the school year, the percent of parents and community members attending parent involvement meetings will be reviewed to determine if the objective was met.	Provide a variety of methods and in appropriate languages to communicate opportunities for parent and community involvement throughout the year to attend school events.
[X]	4)	Violence Prevention and Intervention	For 2024-2025 discipline referrals for drugs, alcohol, and tobacco will be maintained at 0%.	Each grading period, the discipline referrals will be reviewed to determine the percent of referrals for tobacco, alcohol, and other drug use or possession.	At the end of the school year, the discipline referrals will be reviewed to determine the percent of referrals for tobacco, alcohol, and other drug use or possession.	Implement and monitor the school wide safety and security plan.

[X]	5)	Violence Prevention	For 2024-2025, the discipline referrals for offenses will be reduced by 20% from the previous school year.	Each grading period the discipline referrals will be reviewed to determine the percent of referrals.	At the end of the school year, the discipline referrals will be reviewed to determine the percent of referrals for bullying.	Implement and monitor the school-wide safety and security plan.
[X]	6)	Special Education	For 2024-2025, the percent of students meeting ARD expectations will be at or above 90%.	Each grading period, students' progress on TEKS will be monitored and reviewed.	Results of the STAAR- Accommodated, STAAR Modified and/or STAAR Alternative tests will be reviewed to determine if the ARD objectives were met.	Provide differentiated instruction to address learning needs of identified special needs students.

		Goal	Description	Formative	Summative	Strategy
[X]	7)	Highly Qualified Teacher	For 2024-2025 the percent of highly qualified teachers in the core academic areas will be at 100%.	At the end of the first semester, the percent of teachers in the core academic areas who are highly qualified will be reviewed to determine progress.	At the end of the school year, the percent of teachers in the core academic areas who are highly qualified will be reviewed to see if the objective was met.	Confer with teachers to implement a plan to ensure that they meet highly qualified standards.
[X]	8)	Secondary Dropout Prevention	For 2024-2025, the dropout rate will be % or less with no student group exceeding %.	Each grading period, the documentation will be reviewed for students who have checked out of school.	The 2015-2016 dropout data will be reviewed as information becomes available.	Monitor school leavers bi- weekly, contact parents, and implement intervention plans, including credit-recovery opportunities like the PLATO Learning Solution.
[X]	9)	High School AEIS – Ninth Graders	The percent of 2024-2025 first- time ninth-grade students who advance to the tenth grade (fall to fall) will be at least 100 %.	After each grading period, the number of ninth-grade students who are at-risk for failing one or more classes will be reviewed.	At the end of the school year (August), the percent of ninth graders who advanced to the tenth grade will be reviewed to see if the objective was met.	Provide students with models of completed assignments so that they understand academic expectations. Guide students to appropriate testing, classes, and programs.
[X]	10)	Recommended High School Program	For 2024-2025, the percent of students who graduate with RHSP will be at or above %.	Each semester, prepare a list of students who have opted out of the RHSP program by grade level.	At the end of the school year, calculate the percent of students who graduated with the RHSP.	Inform parents and students about graduation requirements and college/career readiness skills and programs. Guide students to appropriate testing, classes, and programs.

[X]	11) High School AEIS – Advanced Courses and Dual Credit	For 2024-2025, the percent of students who have completed at least one advanced course will be at or above %.	Each semester, the number and percent of students enrolled in at least one advanced course will be reviewed.	At the end of the school year, the percent of students completing at least one advanced course in high school will be reviewed to see if the objective was met.	Inform parents and students about graduation requirements and college/career readiness skills and programs. Guide students to appropriate testing, classes, and programs.
[X]	12) High School AEIS – Advanced Placement Exams	For 2024-2025, the percent of students who take an AP exam will be at or above %.	At the beginning of the spring semester, review a list of students in AP classes who have not indicated their intention to take an AP exam.	At the end of the school year, the number and percent of students who took at least one Advanced Placement exam will be reviewed to see if the objective was met.	Inform parents and students about graduation requirements and college/career readiness skills and programs. Guide students to appropriate testing, classes, and programs.
[X]	13) High School AEIS – SAT/ACT Exams	For 2024-2025, the percent of graduates who take SAT/ACT exams will be at or above %.	After the first semester, the number of students taking the SAT-1 at least once will be reviewed.	At the end of the school year, review the number of students taking the SAT-1 at least once to determine if the objective was met.	Inform parents and students about graduation requirements and college/career readiness skills and programs. Guide students to appropriate testing, classes, and programs.

	Goal	Description	Formative	Summative	Strategy

Core content – area and CTE teachers will coordinate the courses/programs to ensure that these students have extended learning time in STAAR-tested areas.

CIP PART II: ASSURANCE ADDENDUM Section D

[X]	1.	Comprehensive needs assessment – All data were reviewed for all students and student groups. The results and conclusions of this review are reflected in the SMART goals for the next school year.
[X]	2.	School-wide reform strategies – These strategies include ones that strengthen the core academic program; meet the educational needs of historically under-served populations; increase the amount and quality of learning time; and address needs of all, but particularly low-achieving students. Examples of school-wide strategies follow: teach content-focused vocabulary terms/phrases – 20 per year, per core subject from the district's list – for all students to learn (in addition to the usual teacher-selected vocabulary words); expand effective instructional strategies, including use of technology in ways proven to increase students' engagement in learning and level of thinking about content and concepts.
[X]	3.	Instruction by highly qualified teachers – 100% of our teachers are certified for the position they hold even though they have varying levels of experience. Experienced teachers give support to less experienced teachers. Parents are notified if a teacher is not certified, and the teacher must either be working toward certification or efforts continue to hire someone who is certified.
[X]	4.	High-quality and ongoing professional development – Helping teachers provide on-the-job training and monitoring to promote teachers' professional development. Staff members participate in professional development offered throughout the year. Professional development may also be conducted on site by inhouse instructional leaders and also by district instructional support staff.
[X]	5.	Strategies to attract high-quality, highly-qualified teachers – Recruiting and retaining highly-qualified teachers is a continuous process. We closely work with our district's Human Resources administrators and network with other principals to help in this effort. Our own teachers also serve as recruiters. The result has been that 100% of our classroom teachers are appropriately certified for the position they hold.
[X]	6.	Strategies to increase parental involvement – Schools engage in numerous activities to increase parent involvement in the campus's programs. Open Houses, telephone calls, and newsletters are just a few methods of recognizing parents as partners. In addition, parents are offered classes to meet their needs, for example, ESL classes or STAAR information programs.
[]	7.	Transition from early childhood programs – Elementary schools collaborate with early childhood centers to coordinate parent and student visits to kindergarten programs. Elementary schools conduct community awareness campaigns and registration days. (Not applicable to secondary schools)
[X]	8.	Measures to include teachers in the decisions regarding the uses of academic assessments – Numerous teacher reports are available for the teachers to access throughout the year. These reports are based on locally-developed and summative assessments. Ongoing staff development is available on site to analyze assessment data. Grade-level, content-area, team, or departmental meetings and the CPOC provide forums to discuss assessment issues.

[X]	9.	Effective, timely additional assistance – Formative and summative assessments provide the data for
		teachers and administrators to monitor individual student progress so that interventions and assistance will be
		timely. Various live reports are available via infoserv web and are accessible to teachers and administrators.
