

DISTRICT IMPROVEMENT PLAN

Board approved 10.20.2025

Clyde CISD Vision

CISD will empower successful leaders for the challenges of the future.

Mission

T.E.A.M. Teaching, Encouraging, Achieving, Motivating

Core Values

- We believe all students are capable of success. We will provide a safe, secure, and challenging environment. We will value individual student growth in all areas. We will value each employee and student's educational growth and learning.
- We believe in making student-driven and data-informed decisions. We commit to putting the whole child first. We will consider multiple sources of data when making decisions.
- We believe EVERYONE has leadership capabilities. We commit to instilling the 7 Habits of Highly Effective People in our students and staff. We will foster leadership opportunities for students, staff, parents, and the community.
- We believe parent/guardian participation and community collaboration are essential. We commit to improving educational outcomes by engaging in collaborative relationships.

Theme

Empowering Leaders. Committed to Success.

Clyde Consolidated Independent School District Improvement Plan Authors: Bryan Allen; Paula Kinslow

Comprehensive Needs Assessment

A comprehensive needs assessment conducted by the district and individual campuses guides planning for the 2025-26 school year. Clyde CISD is 75% white, 18% Hispanic, 4% two or more races, and 2% African American. 48% of the students are economically disadvantaged, 0.2% are English Language Learners, and 17% receive special education services. Scores from the 2025 STAAR assessment, MAP data, and other data points provided information along with classroom observations to identify gaps and areas to improve student performance.

The district focused on planning for this school year around growth. The Title I, Part A, and Title II budgets were revised and scrutinized for efficiency. With the continued teacher shortage, the district decided to allocate Title II Grow Your Own funds to help educational aides complete their degrees and or earn teacher certification and then teach in CCISD. Title II funds were also allocated to improve the new teacher mentor program for Clyde CISD. Stipends were issued for four mentor teachers throughout the district to work closely with new employees in Clyde and new teachers to the profession. Title IV funds were used to continue to increase safety in the district by contracting with a licensed professional counselor to provide services on campus. High-impact tutoring and other instructional strategies to improve performance were utilized.

Clyde CISD earned a B rating, with Clyde High School earning an A, Clyde Junior High a C, Clyde Intermediate and Elementary a B letter grade.. Data from 2025, reveals the district was at or above the state average in 17 out of 20 areas for Approaches Grade Level, 15 out of 20 for Meets Grade Level, and 11 out of 20 in Masters Grade Level. Overall, the Domain I Average scores were 15 out of 20 at or above the state average. The College and Career, Military Ready students at the high school will continue to be an area to focus on. CCISD wants ALL students CCMR-ready. Clyde Junior High's focus will also be on student growth as well as improving student achievement in Math. A CCMR plan was developed with incremental goals disaggregated by student subgroups to achieve 100% college, career, and military-ready graduates in the next five years. Through the Rural Accelerator Grant, outside assistance is providing additional support to achieve this CCMR goal. At the other end of the educational pipeline, an Early Childhood Self-Assessment and improvement plan was implemented.

Clyde CISD has completed an equity plan and equity survey. An equity gap was not found to be present in either the poverty or minority subpopulations. Clyde CISD expanded its Teacher Incentive Allotment program eligibility to include over 95% of teachers in an attempt to recruit and retain quality teachers.

| Strategic Objective/ Goal 1: | Clyde CISD will recruit, support, and retain teachers and principals to prepare students for success and purchase necessary items for the education process to continue. | | | | | | | | |

| Career & Tech | \$826,654 |
| Dyslexia | \$84,743 |
| IMA | \$77,994 |
| Perkins SSA with ESC 14 | \$14,438 |
| HeadStart | \$104,550 |
| Early Education Allotment | \$311,143 |
| Gifted and Talented | \$84,824 |

The Clyde State Compensatory Education Program Policies and Procedures Manual delineates how the district operates its compensatory education funds.

CIP PART II: ASSURANCE ADDENDUM

- 1. **Comprehensive needs assessment** All data were reviewed for all students and student groups. The results and conclusions of this review are reflected in the SMART goals for the next school year.
- 2. **School-wide reform strategies** These strategies include ones that strengthen the core academic program; meet the educational needs of historically underserved populations; increase the amount and quality of learning time, and address the needs of all, but particularly low-achieving students. Examples of school-wide strategies follow: teach content-focused vocabulary terms/phrases 20 per year, per core subject from the district's list for all students to learn (in addition to the usual teacher-selected vocabulary words); expand effective instructional strategies, including the use of technology in ways proven to increase student's engagement in learning and level of thinking about content and concepts.
- 3. **Instruction by highly qualified teachers** 100% of our teachers is certified for the position they hold even though they have varying levels of experience. Experienced teachers give support to less experienced teachers. Parents are notified if a teacher is not certified, and the teacher must either be working toward certification or efforts continue to hire someone who is certified.
- 4. **High-quality and ongoing professional development** Helping teachers provide on-the-job training and monitoring to promote teachers' professional development. Staff members participate in professional development offered throughout the year. Professional development may also be conducted on-site by in-house instructional leaders and by district instructional support staff.
- 5. **Strategies to attract high-quality, highly-qualified teachers** Recruiting and retaining highly-qualified teachers is a continuous process. We closely work with our district's administrators and network with other principals to help in this effort. Our own teachers also serve as recruiters. The result has been that 100% of our classroom teachers are appropriately certified for the position they hold.
- 6. **Strategies to increase parental involvement** Schools engage in numerous activities to increase parent involvement in the campus's programs. Open Houses, telephone calls, and newsletters are just a few methods of recognizing parents as partners. In addition, parents are offered classes to meet their needs, for example, ESL classes or STAAR information programs.
- 7. **The transition from early childhood programs** Elementary schools collaborate with early childhood centers to coordinate parent and student visits to kindergarten programs. Elementary schools conduct community awareness campaigns and registration days. (Not applicable to secondary schools)
- 8. **Measures to include teachers in the decisions regarding the uses of academic assessments** Numerous teacher reports are available for the teachers to access throughout the year. These reports are based on locally developed and summative assessments. Ongoing staff development is available on-site to analyze assessment data. Grade-level, content-area, team, or departmental meetings are held to discuss assessment issues.

- 9. **Effective, timely additional assistance** Formative and summative assessments provide the data for teachers and administrators to monitor individual student progress so that interventions and assistance will be timely. Various live reports are available via eduphoria! and are accessible to teachers and administrators.
- **10.** Coordination and integration of federal, state, and local services and programs At the building level, federal, state, and local services and programs are coordinated to address student needs best; this coordination of services and programs is reflected in the activities listed in the campus goals and strategies

2025-26 HB 3 Clyde CISD Board Goals

Early Childhood Literacy Goal

• The percentage of 3rd-grade students performing MEETS on their STAAR 2026 RLA assessment will grow from 43% to 53% by May 2026.

Goal Progress Measures

- 55% of students in K-3 will meet their individual projected growth measure on the NWEA Reading assessment by the end of May 2026.
- The percentage of PreK students who score meets expected targets in Phonological Awareness/Reading at the end of the year (CIRCLE) will increase from 50% (Beginning of the Year) to 65% (End of the Year) by May 2026.

Early Childhood Numeracy Goal

• The percentage of 3rd-grade students performing MEETS on their STAAR 2026 MATH assessment will grow from 27% to 40% by May 2026.

Goal Progress Measures

- 55% of students in K-3 will meet their individual projected growth measure on the NWEA Math assessment by the end of May 2026.
- The percentage of PreK students who score meeting expected targets in overall math at the end of the year (CIRCLE) will increase from 65% (Beginning of the Year) to 80% (End of the Year) by May 2026.

CCMR Goal

• The percentage of graduates who meet the criteria for CMCR will increase from 82% to 86% by August 2026.

Goal Progress Measures

- TSI Readiness: 60% of students from the Class of 2026 will meet TSI criteria in both math and ELAR (at least 10 economically disadvantaged and 20 non-economically disadvantaged will meet TSI criteria in both subjects)
- College Readiness: 82% of seniors from the Class of 2026 will directly enroll in college (at least 6 economically disadvantaged and 12 non-economically disadvantaged)
- Career Readiness: 37% of the Class of 2026 will earn an Industry-Based Certification

Clyde CISD Parent and Family Engagement Policy

| 2025-2 | 6 Parent and Family Engagement (PFE) Program |
|---------------------------|--|
| What is it? | Clyde CISD is committed to our vision: CCISD will empower successful leaders for the challenges of the future. This policy was developed jointly and agreed upon with parents. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education. |
| Expectations & Objectives | Parents and families are a child's first teachers. Students imitate adults from the moment they are born. Therefore, a mutually beneficial relationship between school and home is in the best interest of every child. Our PFE Program exists to foster communication and decision-making with parents about student performance and collaboratively support learning. Our objectives are: • Increasing effective two-way communication between school and home is linked to a higher completion rate on homework, better attention during instructional tasks, increased participation by all parties, and improved interactions and relationships between parents, teachers, and students. • If a child's parents are more involved in school experiences, the child is more likely to have higher grades, improved behavior, better attendance, higher social skills, and adaptation. • Learning together leads to a better school and home life. • Being a life-long learner can prevent some health issues that often occur later in life. |

Title I, Part C – Texas Migratory Education Program (TX-MEP) Priority for Service (PFS) Action Plan Template for Migratory Students

As part of the Every Student Succeeds Act (ESSA), the Priority for Service (PFS) Action Plan is a **required** program activity for Title I, Part C. In providing services with funds received under this part, each recipient of such funds shall give priority to migratory children who have made a qualifying move within the previous 1-year period and who are failing, or most at risk of failing, to meet the challenging State academic standards; or have dropped out of school. [§1304 [20 U.S.C. 6394](d)].

The Priority for Service Report on Texas – New Generation System (TX-NGS) must be used to determine who to serve first and foremost with MEP funds. Students are identified as PFS if they meet the following criteria:

| | Priority for Service (PFS) Criteria |
|------------------------|--|
| Grades 3-12, | Who have made a qualifying move within the previous 1-year period; AND |
| Ungraded (UG) or | Have a received grade level of "approaches or not meet" on the state assessments (STAAR), were Absent, Not Tested or were not enrolled in a Texas school during the state assessment testing period for their grade level. |
| Out of School (OS) | |
| Grades K-3 | Who have made a qualifying move within the previous 1-year period; AND |
| | Have been designated EL/EB (English Learner/Emerging Bilingual) in the Student Designation section of the TX-NGS Supplemental Program Component; |
| | <u>OR</u> |
| | Students in grades K-2 or students in grade 3 who have not taken the STAAR assessment, who have been retained, or are overage for their current grade level. |
| Pre-K ages 3-5 (Not in | Who have made a qualifying move within the previous 1-year period; |
| Kindergarten) | AND |
| | Students whose data in TX-NGS shows No Other Preschool Support. |

The PFS Action Plan template is provided by TEA to assist districts document efforts that are being conducted on behalf of Priority for Service students.

The PFS Action Plan template includes:

- (1) the required components included in the ESSA Consolidated Federal Grant Application (Part 2 Priority for Service);
- (2) the Program Specific Provisions and Assurances on Priority for Service; and
- (3) provides districts an opportunity to list additional activities for each component.

NOTE: This document is available on the TMEP Portal.

TEA - Federal Program Compliance Division Revised 5/30/25 1

| Region: | District Number: 030-902 | Priority for Service (PFS) Action Plan | Jo Ann Gonzales, ESC 14 Consultant |

| District Name: | | School Year | Date: |
| Clyde CISD | | 2025-2026 | 09/17/2025 |

Requirements - ESSA Consolidated Federal Grant Application - Part 2 - Priority for Services (PS3103)

- Each district's PFS Action Plan must clearly articulate criteria for defining student success, including timelines for achieving stated goals and objectives.
- Title I, Part C Coordinator or MEP staff will include the PFS Action Plan in the District Improvement Plan (DIP) as a separate section appropriately
 labeled or identified (e.g., "MEP PFS Action Plan Section"). The action plan elements should not be integrated with other DIP sections that focus on
 other student population groups (e.g., Emergent Bilingual, economically disadvantaged).
- On a monthly basis, run TX-NGS Priority for Service (PFS) reports to identify migrant children and youth who require priority access to MEP services.

Requirements - Program-Specific Provisions and Assurances

The LEA PFS Action Plan must include the following required strategies on:

- Monitoring the progress of eligible migratory students who are PFS.
- Communicating the progress and determine needs of eligible migratory who are PFS.
- Providing services to eligible migratory who are PFS.

PFS Action Plan Completion Date: Before First Day of School
