## Parent Involvement Policy

### 2023-2024 Parent & Family Engagement (PFE) Program

<b>What is it?</b>	Clyde Intermediate is committed to our vision: Inspiring Greatness. Living, Loving, and Leading. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
<b>Funding</b>	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented through meaningful consultation with parents of participating children, as well as other educational stakeholders.
<b>Review</b>	All the use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the needs of the PFE Program.
